

Protocol Offline questionnaire

(1) Will you be following a FERB-approved research programme of your supervisor?

- Yes
 No

New data collection

(1) Will you be using:

- Online collection of questionnaire data
 Offline collection of questionnaire data
 Open or semi-open interview (incl. focusgroups)
 Regular observations
 Observations recorded on audio, video
 Naturalistic observation
 Participant observation (anthropology)
 Intervention study (not in lab)
 Behavioural tasks

(2) Where will the study (data collection) be conducted? If this is abroad, please note that you have to be sure of the local ethical codes of conducts and permissions

- the Netherlands
 Abroad, outside the Netherlands. Please name the country
-

Offline questionnaire

(1) The topics of the questionnaire are not invasive

- Correct
 No, please explain
-

(2) Filling in the questionnaire takes less than 45 minutes

- Correct

No, please explain

Participants 1

(1) I will approach...

- Adults
- Children up to 12 years old
- Children from 13 to 15 years old
- Adolescents from 16 to 17 years old

(2) I will approach a vulnerable group

- No
 - Yes, please explain which vulnerable group you are working with and why this study cannot be carried out without this population.
-

(3) I am going to approach the participants using

- Recruitment websites, where participants register themselves
 - Friends, familie, acquaintances
 - Recruitment agencies that approached the participants
 - Other, please explain
-

(4) I use the following resources

- Letter/e-mail
 - SONA systems
 - Other, please explain
-

(5) Participants receive PPU or financial compensation in proportion to their efforts

- Yes, please explain
 - No, please explain
-

(6) I'm going to ask consent to proceed using...

- A written procedure prior to data collection
- Online, by ticking a box
- An oral procedure prior to data collection (c.f. [this description](#))

(7) This investigation cannot lead to coincidental findings

Correct

Incorrect, please explain which coincidental findings may appear and how you will deal with this situation

(8) This study does not use deception

Correct

Incorrect, it does use deception. Please explain

(9) If deception is used, I will ask permission from the participants again immediately after the data collection

Not applicable

Yes

No, please explain

In accordance with the instruction document the information letter contains these elements:

(11) Aim of the study

Yes

No, please explain

(12) It is emphasized that it concerns student research

Yes

No, please explain

(13) Type of tasks, duration, load

Yes

No, please explain

(14) How the data are handled

Yes

No, please explain

(15) Right of removal (unless completely anonymous)

Yes

No, please explain

(16) Being able to stop voluntarily at any time without adverse consequences

- Yes
 No, please explain
-

(17) Contact person for questions

- Yes
 No, please explain
-

(18) Information letter in understandable language tailored to the target group

- Yes
 No, please explain
-

(19) Participants will be given the opportunity to remove their personal data

- Yes
 No, please explain
-

Informed consent

(1) For adults, I ask informed consent

- Actively (via 'wet' signature)
 Online
 Passively (explain why not actively)
 No informed consent asked (explain)
-

Data management 1

(1) Data are or will be stored on faculty servers (YODA and/or FSBS research storage) in accordance with faculty protocol

- Yes
 No, please explain

(2) Access to data is limited to student and supervisor(s).

Yes

No, please explain

(3) Storage period is in accordance with faculty protocol and/or additional statutory provisions.

Yes

No, please explain

(4) Data are not shared with external organization

Correct

No, please explain

Attachments

(1) Questionnaire

(2) Information letter(s)

(3) Informed consent form(s)

(9) Miscellaneous documents e.g. data set description (optional)

No files have been uploaded yet

Signature

(1) Corona protocols

I declare that I have read the relevant [UU Corona protocols](#), and will follow them as I perform the study

(2) I declare that I have completed the above truthfully, my Solis ID is:
